fertech

Greens & Tees₁₀₋₀₋₁₀

Liquid nutritional supplement

- A balanced liquid nutritional supplement ideal for use as a general maintenance fertiliser
- Low burn formulation made with premium ingredients
- Contains 50% slowly available N as Brandt Nurture Liquid Methylene Urea Technology
- Added Amino Acid package for additional plant health response

Guaranteed Minimum Analysis (W/V)

Nitrogen as Urea 5%

Nitrogen as Slow Release Methylene Urea 5%

Total Nitrogen 10%

Potassium as Carbonate 10%

Iron as EDTA Chelate 0.5%

Amino Acids 0.5%

pH: 9.5 S.G: 1.26

GROWING SOLUTIONS

Directions for Use:

Apply as a foliar spray application to actively growing turf and ornamental plants. Dilute with water, using the application rate that delivers the desired level of nutrients. When nutrient demands are high, use of the rate at the upper end of the application rate table is recommended. Apply in sufficient water to achieve adequate plant coverage.

Avoid mowing for 24 hours following application.

Application Details:

Situation	Rate/100m ²	Rate/Ha	Water Volume	Comments
General turf maintenance	600mL-1.2L	60L-120L	Minimum of 5L/100m ² (500L/Ha)	Apply as a foliar spray throughout the year to provide a balanced fertility base for consistent plant growth. For best results apply at 2-4 week intervals depending on plant requirements.
Bowling greens	10-20L / Standard green in a minimum of 150L of water		Minimum of 150L	
Landscape and ornamental plants	100mL-200mL		10L	Apply as a foliar spray or soil drench throughout the growing season.

Mixing:

Fill spray vessel with half the required volume of water. Add required amount of Fertech Greens & Tees to the spray tank while agitating. Add remaining water to the spray tank. Continue agitating during application. Wash out spray tank, including nozzles, immediately after use.

Storage, handling & disposal:

Do not store below -5°C, as crystallisation may occur. Do not contaminate lakes, streams, dams or ponds by cleaning equipment or disposal of waste. Avoid contact with eyes and skin by wearing appropriate protective equipment, such as gloves, boots and safety goggles.

First aid:

In case of contact with eyes or skin, flush at once with large amounts of water. If irritation persists, seek medical attention. If swallowed, drink large amounts of water and induce vomiting. Seek medical attention.

Conditions of sale:
