

Paton Blood & Bone

Fertiliser

globe
GROWING SOLUTIONS

Paton Blood & Bone is a wholly organic blend especially formulated for the requirements of a wide range of plants. It provides an organic source of nitrogen and phosphorous and is excellent as a general garden fertiliser.

Paton Blood & Bone animates and fortifies tired soil by replenishing the soil microbes essential for healthy plant growth.

General information

- Always water fertiliser in well after application. Watering should result in a thorough saturation of the area.
- Avoid direct contact with plant roots and seeds.
- Even, light and regular applications of this product will achieve the best results.
- Always reseal bags after use.
- Sandy soils will require lower rates of fertiliser but more frequent applications.
- Use sparingly on potted plants
- It is safer to apply small amounts more regularly.

Guaranteed Minimum Analysis

TOTAL NITROGEN (N)	5.4%
- as organic	5.4%
TOTAL PHOSPHORUS (P)	5.3%
- as water soluble	0.2%
- as citrate soluble	2.9%
- as citrate insoluble	2.2%
TOTAL SULPHUR (S)	0.2%
